Wall Safes & Shelf Safes

Item: Wall Safes & Shelf Safes

Quantity: 3,500 Wall Safes & 1,500 Shelf Safes

Description:

The Privacy Plus In-Wall Safe:

This elegant all-digital wall safe is a unique combination of design and functionality. Amazingly, it offers a full 5 3/4 inches of storage depth with a surprisingly small 2 3/4 inch wall profile, all while offering convenience and state-of-the-art security.

Large enough to secure your valuables, small enough to fit anywhere (A great solution for storing a hand gun safely, but within reach when you need it!)

All-digital touch-pad opens or locks in 2 seconds! Change your code in 3 seconds! Watch the 45-second video to see how easy it is to open, lock, change your code AND open the safe when you forget your code! Hidden lock behind nameplate in case you forget your code. Two keys supplied. Installs in about 30 minutes with simple tools. Fits between standard 16 inch studs (2 by 4 and 2 by 6 walls). Heavy gauge steel construction.

Outer Dimensions: 20.25" x 19.75" x 6.25"

Inner Dimensions: 15.5" x 14.375" x 5.75"

Weight: 40 lbs.

Privacy Plus Shelf-Mount Safe

This all-digital safe can be mounted or used free-standing. It is small enough to fit under desks, in cabinets or on the floor, all while offering convenience and state-of-the-art security.

Compact size, yet ample storage (A great solution for storing a hand gun safely, but within reach when you need it!)

All-digital touch-pad opens or locks in 2 seconds! Change your code in 3 seconds! Installs in about 15 minutes with simple tools. Twin-bolt locking system. Heavy gauge steel construction. 3-year warranty. Hidden lock and key.

Outer Dimensions: 9.875" x 13.75" x 9.875"

Inner Dimensions: 8.5" x 13.5" x 7"
